

HOME

Here I've come and here I stay
Things in my life turned this way
My journey took me ten thousand years and a day
Spend all this time to travel around
I got lost, I got drowned
I sailed seven seas before I could reach this ground

A place that feels my own
A place that feels like home
I can feel home, at home
Here I want to be
The best place for me
The best place to be, is in me
The best place to be, is the place in me

JA WIR HABEN ALLES

Ja, wir haben Alles,
Alles haben wir, haben wir Alles
Alles haben, haben Alles

Oho, Aha

Ja, wir haben Alles

Alles, Alles, Alles, Alles
Allah, Allah, Allah, Allah
Allala, Allala, Allala, Allala
Allelu, Allelu, Allelu, Allelu

Lyrics: Henriëtte Kat

BEAUTIFUL DAY

This is a day of my life
Opened my eyes and saw the skies
Oh, beautiful day, beautiful day
Clouds of my thoughts were drifting away
Oh, beautiful day, beautiful day
Breathtaking new was my view
And I knew this is my
Beautiful day, beautiful day
This is a day of my life

JACOBS STRUGGLE

“Reiten, reiten, reiten, durch Den Tag, durch die Nacht, durch den Tag
Und die Mut ist so müde geworden und die Sehnsucht so groß” (R. M. Rilke)

“Please let me go for the dawn is breaking”
“Oh no, I will not let you go, unless you bless me” (Genesis 32)

The sun is rising.

RIGHT FROM THE START

Right from the start
Speak straight from your heart

Do you see	Could there be, yes, there could be
We're meant to be	Love and understanding
To live this life	It's a holy place
In harmony	For the human race

Sorrow and pain they will fade away, fade away, fade away...

Aan het eind komen wij altijd samen
